Please send your letters & notices to bhn-editor@barhill-ca.org. Thank you!

Dear Residents,

Maple Surgery Patient Participation Group (PPG) are keen to broaden the age representation of the group and would welcome interest from younger adults and parents with children.

We meet every two months, 6.30pm in the surgery, usually on a Wednesday or Thursday.

The aim of a PPG is to discuss with surgery management how improvements can be made to benefit both patients and the practice.

Our meetings give the opportunity to affirm recent positive practice and to raise any issues or concerns.

If you are interested in joining, please email mapleppg@gmail.com

Thank you,

Pam Vendy

Secretary, Maple Surgery PPG

Dear BHN

I'm not entirely sure to whom I should address this query (Parish Council?, Local Council?), but hopefully someone from the responsible team is a fellow BHN-reader.

I'd like to know why the pretty tree just outside the Hanover complex (by the overflow parking) has been cut down? There was clearly nothing wrong with the tree, as the root left is perfect. This tree was a source of great pleasure to some of us here in Hanover Close. It's only crime was that it was on a more "southern hemisphere" timeline... It started budding in mid-August and flowered in late September/October!

It seems an awful shame that it should lose its life for flowering at a different time than other trees. I personally feel very upset about this.

Jan Cundy (Hanover Close)

Dear Residents,

Could you be a Friend for Bar Hill library?

A few of us are currently looking at working with Bar Hill Library to reinvigorate the libraries "Friends" group.

Would you like to join us? You can either drop me an email at apellew@gmail.com or go into the library and ask.

We help all girls know they can do anything!!!

Hi, I'm Triona and I'm a leader in Training with 1st Bar Hill Guides. I relocated to Bar Hill in the summer of 2022 and didn't know anyone. I saw the Trefoil on the Poppy wreath and remembered the fun I had as a Rainbow and a Brownie. Returning to Guiding has been one of the best decisions I have ever made. In the last year I have: travelled around the UK for a variety of events, been selected for an international project to Madagascar and met the most amazing people. The highlight of it all is spending time with my unit each week. The leaders have very quickly become great friends and seeing my Guides grow in confidence and learn new skills is a very fulfilling way to spend an evening. I'm learning a lot about myself and developing skills that are having a positive impact in all other aspects of my life. If you have an hour or two, one evening a week, come along and visit us!

For more information about my **Madagascar Project** and for updates on my **skydiving fundraiser**, scan the QR code.

Bar Hill Church Knit & Natter

We continue to meet regularly on a Thursday afternoon from 1.30 until 3.00pm at The Octagon. All are welcome.

As a well established friendly group, we enjoy knitting and are all very good at “nattering”.

Our aim has always been to welcome and encourage people to join and meet old friends and make new ones. Also to encourage people to use their knitting skills to make things that other people need anywhere there is a need.

We have made vast quantities of baby clothes, scarves and hats for children and adults wherever the need arises in this country or another. We recently made a number of blankets to go into Food Bank parcels at Christmas.

We are always very grateful for donations of wool for our projects if anyone has any spare.

Thank you for recent donations they are greatly appreciated.

During our afternoons together, as well as knitting and nattering, we have a regular exercise slot when Wendy

keeps us stretched and strengthened with fun exercises. (soon after that we have tea and cakes !!)

Are you interested in joining us? Either phone me or just turn up on a Thursday afternoon. We look forward to seeing some new faces as well as our lovely familiar ones. P.S. You don't have to be able to knit to join us, we are very happy with nattering. Sue Kenchington **780260**.

Olive Tree Bereavement Group

Olive Tree is a very welcoming group for those who have undergone loss or bereavement, where you can talk freely and where confidences are always respected. There will be time to share your experiences, join in discussions and get to know others in the group.

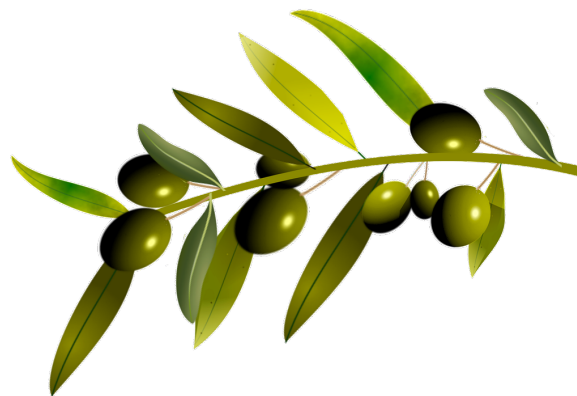

Our meetings are held at 10.30 am on the second Saturday of the month, in the Octagon, and the next one will be on Saturday 8th June. We would love to see you whether you are a regular member, a new member or if you have never been before.

If you are not sure whether the group is right for you, please phone one of us to discuss it. We welcome all newcomers but would ask that you come at 10am so that we can explain the format.

The leaders, who are CRUSE trained, and the other members of the group will offer a warm welcome, and you will meet other people who have been through loss and who understand the pain and difficulties that this brings.

For more details, telephone Sue Kenchington at **780260**, Chris Stannard at **781978**, or Maggie Cox at **488657**.

CHECK TO SEE WHAT BENEFITS YOU ARE ENTITLED TO

There are many different types of national benefits available, and at many different levels. Often these benefits can go unclaimed, as people don't realise that they are eligible for them. To check that you are claiming all that you are eligible for, please visit www.entitledto.co.uk and complete the online form for individuals. In South Cambridgeshire, we are supporting working age residents with a more generous Localised Council Tax Support scheme. Our calculator at [www.scambs.gov.uk/ council-tax/ council-tax-support](http://www.scambs.gov.uk/council-tax/council-tax-support) will give you some indication of the amount you may qualify for. If you require support applying for any of these benefits or for further support with income and expenditure assessments, housing advice or homelessness prevention, you can ask for an appointment with your local Citizens Advice branch.

The Europe Challenge: First meeting of Meet, Eat, Art

The Europe Challenge was set up with the aim to identify and, help address democratic social issues in communities. Libraries from across Europe were invited to bid for funds to hold events supporting this aim. Bar Hill library bid for the funding on the basis that asylum seekers residing at the hotel were socially isolated and lonely, and it was the only library in Cambridgeshire to be successful. The proposal was to hold monthly free events where hotel residents and Bar Hill residents would meet to cook and share food, and afterwards enjoy a musical or drama presentation. The project will run until September. It is hoped that a different group will volunteer to cook each month, the idea being to try new foods from other cultures.

I went along to the first of these events on Saturday 27th April. On arrival, I found a lively team of ladies from Iran, who had been cooking enthusiastically in the Octagon

kitchen since early morning. The food being prepared was traditional Iranian food. I spoke to Mo, a Cambridgeshire librarian who came to the UK from Iran in 1978, to learn English. Mo felt so settled in the UK he decided to stay, and later, married an English woman." This type of food is not usually found in restaurants in Iran. It would be prepared at home by the women, using recipes handed down through the generations", Mo explained. Familiar ingredients were used to create the dishes, such as lentils, beans, pasta, onions, garlic, aubergine and meat. The dishes were then served on large platters, garnished with yogurt, mint and crispy onions arranged in lattice patterns. The food is served with plain and saffron rice, presented in bright yellow and white stripes, and accompanied by colourful salads of red onion, cucumber and tomatoes. Delicious combinations of hearty food that the hotel residents have

sorely missed
since having to
flee their own
country.

After enjoying a
tasty meal, I
spoke to
District Library
Manager

Shelley Hale, who explained more about
their efforts to help the hotel residents
integrate into our community. "When the
hotel residents first arrived, Bar Hill library
organised welcome events including stay
and play, lego and rhyme time." she
explained "The library is more than books it
is also a trusted, neutral, safe and welcoming
space."

There are 270 residents currently at the
hotel, consisting of women and children or
families. There are seventeen different
spoken languages amongst the residents.
Cambridgeshire Skills provide some English
lessons. There are no cooking facilities at the
hotel, therefore no opportunity for residents
to cook their own country's cuisine. Instead,
meals are provided by SERCO. One Iranian
lady told me "The food in the hotel is
mostly Indian, which is too spicy for us to
eat." Many residents now undertake
voluntary work locally.

The session ended with a rousing
performance by "Shake, Rattle and Roll".
There was dancing and singing to some
familiar tunes and later the audience joined
in with some drumming.

Please come along to support future events.
Simply drop into the Octagon from 12.00pm
on the following Saturdays: 25th May, 22nd
June, 27th July, 24th August and 28th
September. Booking isn't required, the event
is being trialled on a first come first served
basis.

BAR HILL COUNTY COUNCILLOR'S REPORT

Cllr Edna Murphy - Edna.Murphy@cambridgeshire.gov.uk
01223 577005

Focus on NHS dentistry

Cambridgeshire NHS has put in place a local Dental Improvement Plan, and identified the areas of the county most in need as being Fenland, Littleport, Ely, and Peterborough. Following problems with primary care in relation to Sutton's GP service, the county's Committee discussed the issues arising in June. NHS Cambridgeshire also carried out a post-action review.

The vulnerability of the entire NHS system was very evident, mostly due to workforce constraints including shortages and emigration. The Washington Post had recently led with the headline How the UK became a terrible place to be a doctor. Of the 88 GP practices in Cambridgeshire, thirteen were rated red in terms of vulnerability, and only fifteen or sixteen rated green. It was observed that this left a large number of practices in the amber category.

Composition of the County Council

The Liberal Democrats are the largest group on the County Council for the first time ever, with 23 councillors, while the Conservatives have 22, having lost 6 members since the 2021 elections. 3 now sit as 'unaligned' members, one has joined the Independent

group which is part of the Joint Administration, and there was a by election in Yaxley, which was won by the Liberal Democrats. Thus the Joint Administration is still in control of the Council, with an increased majority.

Well done Bar Hill Primary School!

Bar Hill Primary School has achieved Healthy Schools Ambassador Status, which is a really significant achievement. This is a step up from a healthy schools award, and recognised the work being carried out to enhance health and well-being. Schools focus on key areas such as leadership, staff support, engaging with parents, safety, physical activity, healthy eating, mental health, and well-being. Schools that achieve this award demonstrate their commitment to promoting a healthy environment for students and staff. Well done all!

Please do get in touch if you have any issues I can help with or any questions. You can contact me on

Bar Hill Pre-School

Bar Hill Preschool have been planting cress and sunflower seeds, at the start of May, these have been sent home with families so that they can continue the learning at home, as they grow. In the Preschool garden we have planted potatoes, onions, carrots and tomato plants. We are learning the names of the different parts of the plants and learning how to look after the plants so they grow healthy.

Our book has been 'The hungry caterpillar' and we have been learning the lifecycle of a butterfly. We have used the fruits mentioned in the book as part of our afternoon snacks and considered other healthy foods to extend our baking activities. We have also had some caterpillars that we are observing as they become butterflies.

Our photographer has been in the setting taking our photos and our older children are beginning the transition to primary school, it is a busy few weeks.

We are making the most of our large garden in the warmer weather with lots of fun activities outside.

Interested in finding out more and booking a place for your child? Contact

enquiries@barhillpreschool.co.uk or call **01954 782892**. You could also visit our website www.barhillpreschool.co.uk for an enrolment form.

Children are offered places from the term after the child's second birthday. We are open 9am-3pm in term time only. Funding and Childcare payment schemes are accepted.

Wildlife Gardening in June

June is another very busy month for Garden wildlife, bees, moths, butterflies and other pollinators, are making the most of flowering plants and sunshine. The birds are foraging for caterpillars to feed the chicks. Please dispose of rubbish responsibly, do not leave anything lying around for wildlife to get caught in. Only use natural pesticides, if we need to use any.

Bar Hill Primary School

During April, we successfully launched our new 'Bar Hill Buddies' scheme. This was a scheme created by our school council as a way of supporting Reception to Year 3 out on the playground when they are feeling a bit lonely or would like a quieter space on the playground. Our buddies will be available at lunchtimes and can be found at the buddy stop. Great work buddies, you are really making a difference!

We also celebrated Earth Day. The children learnt all about this year's theme of Planet Vs Plastic. We thought about how we can contribute to keeping our environment clean and where we can reduce and reuse plastic.

Earth Day takes place every year on April 22nd to show support for the protection of the environment and our planet. Earth Day has been celebrated since 1970 and the different yearly themes encourage and support people to do something positive for the environment as 'change starts with action'. The children were encouraged to think about what they can do to help the environment and celebrated the great things we already do in Bar Hill Primary School. Our Eco Council recently conducted a survey around school to find out what we do well to take care of the environment and where we could improve further.

Thank you to everyone who has visited our school Giraffe, Gerald, who has been on show in the Grand Arcade as part of the Cambridge Standing Tall Trail. Once the trail ends, we will be very excited to welcome him back to school!

Bar Hill Cricket Club

Our scheduled first match of the season away to Elsworth fell victim to the weather, but the sun has now come out and, by the time you read this, we will have played several matches.

A number of new players have been to the practice sessions, which are on Thursday evenings at the village green, so hopefully that bodes well for the season.

We are once again competing in the CCA Junior League on Saturdays and the Cambridge Business Houses League, where the matches begin at 6pm on midweek evenings.

Midweek matches at home will be a theme in June, when the vagaries of the Saturday fixture list has left us with two blank weekends.

We're always on the lookout for new players, or others interested in helping the club please contact us at the address below.

You can also follow us in the Bar Hill News, via our website barhillcricket.org.uk or on our Facebook page.

Tuesday 4: Stapleford (H, Midweek League)

Saturday 15: Camden II (A, CCA League)

Tuesday 18: BAS (H, Midweek League)

Surgery Closure

Please note the surgery will be CLOSED from 1pm on Wednesday 17th July for whole staff training.

When the surgery is closed please call 111 for medical assistance, or 999 for a life threatening emergency.

Measles

Measles cases in England are rising. Measles is an infection that spreads very easily and can cause serious problems in some people. Having the MMR vaccine is the best way to prevent it and protect our communities. Measles symptoms include: high fever, sore, red, watery eyes: coughing; aching and feeling generally unwell; a blotchy red brown rash, which usually appears after initial symptoms. If you have symptoms of measles, stay at home and phone your GP or NHS 111 for advice. Stay away from GP surgeries and A&E departments. Stay off nursery, school, or work for at least 4 days from when the rash first appears. It's never too late to be vaccinated. You need two doses of the MMR vaccine to be fully

protected against measles, mumps and rubella.

Travel Information

If you are planning to travel abroad please consider whether you will require any vaccinations. By booking a Travel Clinic appointment (at least six weeks before your date of travel) with one of our practice nurses, they can offer a general travel consultation with advice. They are also able to administer the following vaccinations (free of charge): Hepatitis A, Typhoid, Tetanus Diphtheria & Polio and the MMR. For any other vaccinations we would recommend you attend MASTA, a private travel clinic, located on Hills Road in Cambridge.

Please plan ahead and make sure you have enough medication to last for your time away. And, just in case of emergency, we would advise that you take a list of your repeat medication with you.

Finally, just a reminder that the GP is unable to sign (as proof of identification) any passport applications and they will not write 'Fit to Travel/Fly' letter for our patients.

Carers Meeting

If you are a carer for someone and need advice and financial or emotional support, please come along to our carers support meeting on Wednesday 5th June at the Willingham Surgery, where we will be holding a drop in session between 2pm and 4pm. Refreshments are provided, there's no need to pre-book and it's completely FREE! Meetings are held on the first Wednesday of every month and for more information please contact susan.lawson7@nhs.net

HELP SAVE BAR HILL TENNIS CLUB

Bar Hill Tennis Club

It is with some sadness that I'm writing this article for the Bar Hill news but without additional members and help to run the Club it is highly likely that the Club will have to close at the end of this season.

For those of you unaware of our history the Club has been in existence since 1991 originally playing on the Schools playground. In the early 1990's the Club raised external funds to have the current courts built on the site leased to us by the Parish Council and since then the courts have been maintained, resurfaced and re fenced by the Club.

Our membership numbers have declined and we have seen only a limited number of members joining us at our Club nights and even fewer committing to help with the running of the Club.

If you would like to see the tennis Club continue please consider joining and /or give us a little of your time to help run the club. At the present time we will be holding a formal Club meeting a little later in the year (date to be arranged) to discuss and agree whether the Club has a future. If you feel you can help or would like to know more please contact me (details below).

For those of you interested our new Club night season has now started and we welcome players of all abilities. We hope by the time that you read this we will be enjoying some long hot early summer days so why not give tennis a try this year!!

Our membership rates are very competitive and membership entitles you to play at any time.

Check out our website for details!

Membership entitles you to play at any time throughout the year until 31.3.25 as well as at our Tuesday and Thursday club nights. There is an active WhatsApp group for members to share information and find playing partners.

If you would like a "taster" your first visit to our Club nights is free and we welcome players of all abilities – why not give it a try. Tennis is an excellent way to keep fit and enjoy the summer evenings in a relaxed and friendly environment.

Courts can also be hired for private play via our website.

Our Adult Club nights are Tuesdays & Thursdays 6.30 to 9pm through to autumn and beyond if the weather is favourable. We look forward to seeing you!

Crafts Shed - June 2024

CraftsShed members continue to meet in the Octagon Meetings Room, on Thursday Mornings from 0930 to 1230. Whilst extremely grateful to the Leadership of Bar Hill Church for letting us do this we still require new accommodation. We are working with both the Parish Council and County Council to help find and secure a suitable venue.

CraftsShed is a Registered Charity supporting our local Community. Many various benches have had a makeover in our village in the Children's Playground, Tennis Courts, Allotment Society and also near to the Scout Hut. Other items repaired/upgraded are a Rocking Chair, Garden BBQ Trolley. Please visit our Website @ <https://craftsshedbh.wixsite.com/barhill>

Individuals will continue to help make items, and we will undertake small projects for our Community as a group. The new shed, which is for storage only, will enable us to continue to make items.

On a Thursday Morning there will be a display outside of the Octagon weather permitting. We have some second-hand tools that will be available to sell for a donation. Come and meet us at the Fete in July.

We don't only meet for coffee / tea but also arrange trips out to places of interest. We have visited the Fitzwilliam Museum looking at wooden tools in Egyptian times. This was a most interesting visit. In June we will be going on the River Ouse on board "The Ladybird". Other visits will also be arranged.

If you are over 18 and would like to come and join us, please contact Chris or Nick below. We look forward to welcoming new members.

On May 22nd we will be donating a lot of tools to a Christian Charity called "Tools for a Mission". There are four centres in the UK manned by volunteers, who will sharpen and repair tools. The tools once refurbished will be sent out to projects in Africa. We will be arranging another collection later this year, so please watch this space.

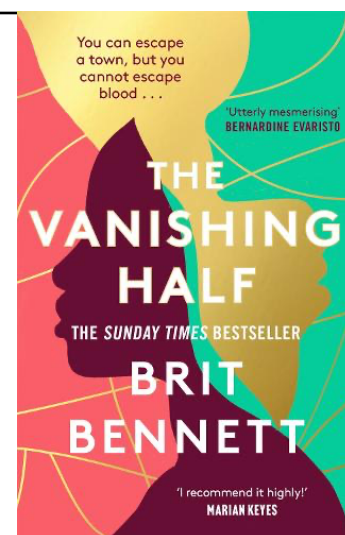

If you would like further information please contact Nick Gunton, Secretary nickgunton53@gmail.com or 07484255514 / Chris Stannard, Chair 07711623425.

Bar Hill Memorial Garden

Our Memorial Garden is a testament to the collective effort of our community. Many thanks to the Team for all those who continue to weed and water the garden as required. Your help is not just appreciated, it's crucial. The Spring tidy-up, which was a community effort, has enabled the garden to look ready for the Summer. Thank you to all those who helped.

Spring is now here, and we can see the bulbs pulling through and the plants beginning to change.

Memorial Garden Sleepers. As I have reported for months, these require replacement as soon as practicable. We have a quotation from a Professional Landscaping Company. Costing £4400.00p, timber in the building trade is rising almost weekly. The plaques will be preserved so that we can transfer them to the new Sleepers. This matter is now extremely urgent.

Following an application, the Parish Council, The Community Association, and the Co-Op have all kindly donated. We have also been successful in being awarded a Community Chest Grant from SCDC. Once monies are received, we will place the order for the replacement Sleepers and begin. We are in the process of applying to one other Charity to buffer the funds sufficiently for the future.

However, can "YOU" also help financially towards replacing these? Cheques may be left at 7 Acorn Avenue, made payable to Bar Hill Memorial Garden, or alternatively paid directly into the Bar Hill Memorial Account at the Cambridge Building Society Account Number 1768402740. If you wish to talk to someone about a donation, please phone Chris on the numbers below. Thank you to those who have donated for this work.

Should you wish to place a memorial plaque, contact Chris Stannard at **01954 781978** or **07711 623425**. Email **c.e.stannard1@gmail**.

Bar Hill Childminders

Bar Hill Childminders are all graded 'Good' on their latest inspections, are fully insured and have Paediatric First Aid training. We offer quality, caring, home from home care with a wide range of exciting experiences for the children, both within our settings and the local community.

We regularly go on walks, outings and attend local groups to help the children socialise. We find having a wide range of ages benefits all the children in our care, it helps the younger children's confidence and encourages the older children to be patient and understanding with the younger children, helping them learn and progress.

We accept the 2,3 and 4 year funding and the Government Tax Free Childcare payments.

As we are busy during the day with the children, please text us your enquiry with details of your requirements and we will contact you as soon as possible with our up to date availability and hourly rates.

Well Spring finally seems to have sprung!

We have been learning about how

things grow, we've seen the leaves open up on the trees and seen the blossom come out. We have also been sowing our own seeds to watch them grow, we have sown cress and bean seeds and will see the roots and shoots get taller and taller. We have also planted sunflower seeds and will record and measure how tall they grow, and have a little competition to see who's will grow have a little competition to see who's will grow the tallest!

We also visited Wimpole Farm where we saw some ewes with their lambs and some piglets. We are looking forward to spending more time outside now the weather is nicer.

Bar Hill Fete & Festival - July 13th

Our theme is a summer festival vibe for this year's Fête. We will open at approximately 2pm on Saturday, 13th July on the village green and in the church.

This year we will have rides, games, stalls and displays as well as our fabulous entertainment starting off this year with Fruity Clave who will be bringing a Samba Vibe to our summer event.

We will have entertainment through the rest of the day including GH Dance Academy, music from acoustic star Simon Day, bands from Swavesey Village College, the amazing Glamtastic and finishing off the live music the Riffugees. There will then be a disco for all those still dancing.

As ever we need help to run the event so if you're able to help either before or on the day it would be greatly appreciated. Please contact kateb@barhill-ca.org
